Lintran Dog Trailers

Quality thermally insulated lockable trailers. Many sizes available.

Top quality thermo trailers *see page 12 & 13*

Superb German dog trailers made to a very high specification. Available from 2 to 24 dog sizes.

Popular Top Quality Trailers

Aluminium framework, easy to manoeuvre with extras available. Options include: single or twin axles, lift up storage roof, front storage box, spare wheel, electric fan, thermostats, mats, etc. Please ring for best prices.

Compartment sizes: 106cm L x 60cm W x 80cm H approx. Please call to discuss options. Other sizes and specifications available. Prices may vary due to exchange rates. Smaller breeds - more than one dog per compartment possible. Something to suit all requirements and budgets.

Trailers are designed with the safety of the dogs in mind. Trailers are thermally insulated to keep the dog warm in winter but cool in summer.

Many extras can be included in the trailer specification including electric fan with manual or thermostat control if required. Ventilation is provided by side

Lintran trailers available from stock. Please call to discuss your own requirements.

grilles in the trailer and extra vents in the doors. Outer door catches are also available if you want to leave the external door ajar. We recommend heavy duty rubber matting for the base of the trailer compartments.

Storage can be provided by a lift-up storage roof which can hold training gear or dogfood, leads etc. and room for a spare wheel. A front storage box is also available. This can be used for other equipment, eg: wellingtons, food, drink or extra battery pack for independent use for the fan.

Security for the trailer can be enhanced by the fitting of a Bradley hitch locking system, which allows the trailer to be locked off or on the vehicle. Standard lock for the hitch and wheel clamps are available on request.

Please call for the price for trailers. Many customers have been pleasantly surprised at the price, which is less now than four years ago. Buy with confidence from Lintran. We are the official UK agent and supply trailers with customer service and spares available.

New Ideas From Lintran

Patent Pending

Ultralite, compact LINFLAT™

Our new Ultralite and compact LINFLAT™ offers all the same benefits of our standard LINTRAN, but with the added bonus of a versatile design and easy handling and storage.

Changeable front and back slopes allows this box to go into twice as many cars and the removable top can be inverted to form either extra height or a top storage tray to suit your own needs.

New aluminium metalwork shown makes this the lightest LINTRAN to date. Available from stock and quick delivery. Normal mesh Lintran metalwork on request.

Smart new locking doors available for your Lintran Transit Box. Silent in transit.

Doors are easy to open and close and, if you want to lock the box, just use the key supplied.

Storage with your Lintran

Storage trays or drawers available with your Lintran box. Check our brochure page 8 and 9 for storage options.

We can fit a removable storage tray on the top of your box to allow you to store training gear, leads etc. This can include a rack for your gun if required.

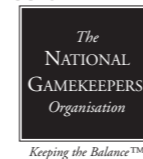

Equipment drawers are available in a standard design or we can totally build to your own requirements. New false floor storage shown above.

Back by popular demand: the "Transafe". Offering equipment hideaway at a reasonable price. This can be an open style for easy access or with a flap to provide a tidy finish and security.

If you have a taller dog, most boxes can be extended to give extra height. We can custom make a mesh high top to suit your own requirements, or for some popular models a shaped fibreglass high top is available. The fibreglass high top adds about 2 1/2 inches extra height for the dog(s) and gives some head lining protection from shaking.
